

# Do You Think Legalized Gaming:

- Would lower taxes?
- Help build better roads and schools?
- Establish a year-'round economy in Atlantic City?
- Would create more and better jobs with higher pay?
- Would help stamp out the crime connected with illegal gambling?
- Would make Atlantic City a better place in which to live?

The ACTION Committee for Legalized Gaming does. But here's your chance to stand up and be counted, and all it will cost is a six-cent postage stamp. Please clip, mark, and mail the ballot below to P.O. Box 1629, Atlantic City, N. J. Do it today.
